**NOTICE OF TAX DEFAULT (DELINQUENT) LIST**

Made pursuant to Section 3371, Revenue and Taxation Code

I, Dan McAllister, San Diego County Treasurer-Tax Collector, State of California, certify that: Notice is hereby given that the real properties listed below were declared to be in tax default at 12:01 a.m. on July 1, 2002, by operation of law. The declaration of default was due to non-payment of the total amount due for the taxes, assessments and other charges levied in 2001-02 that were a lien on the listed real property. The name of the assessee and the total which was due on June 30, 2002, is shown opposite the parcel number.

Tax-defaulted real property may be redeemed by payment of all unpaid taxes and assessments, together with the additional penalties and fees, as prescribed by law, or it may be redeemed under an installment plan of redemption.

If the taxes remain unpaid after July 1, 2007, the property will be subject to the Treasurer-Tax Collector's power to sell. Property upon which a nuisance abatement lien has been recorded, and a city, county, city and county, or non-profit organization requests the property be offered at the next public auction, shall be subject to the Treasurer-Tax Collector's power to sell if the taxes remain unpaid after June 30, 2005.
