# 324 San Diego County Properties Set For March 24th Auction *Register to bid today!*

*San Diego, CA...* San Diego County Treasurer-Tax Collector Dan McAllister announced today that **324 Tax Defaulted Properties** are scheduled to be sold at the 2015 Property Tax Sale Auction to be held on Tuesday, March 24, 2015, at the *San Diego Convention Center (111 West Harbor Drive, Ballroom 20A) in downtown San Diego*. The property auction will be held in an effort to collect \$5,137,668 in unpaid property taxes, including penalties and fees.

“We currently have 78 improved properties, 177 unimproved parcels and 69 timeshares ready for auction,” stated McAllister. “The numbers may change if owners pay the defaulted taxes before the deadline. They have until 5:00 pm on Monday, March 23, 2015 to bring their taxes and delinquent charges up to date, or their property will be auctioned off.”

“Some years we have made available incredible bargains for bidders involved in this annual auction,” said McAllister. “It remains to be seen as to whether or not taxpayers who are delinquent in their tax payment will step forward to rescue their property before it is sold at our auction. We hope that everyone who is delinquent will pay up!”

Interested bidders may purchase registration packets for \$50 at any of the Treasurer-Tax Collector’s offices located in downtown San Diego, Kearny Mesa, Chula Vista, El Cajon or San Marcos. The downtown San Diego will be the only office accepting cash.

Under California State law, the Treasurer-Tax Collector may sell any or all portions of properties that have been in default for five years. In December 2014, the Board of Supervisors approved 481, including timeshares, properties for this auction.

Minimum bids are set based on the total amount of back taxes, penalties and sales costs. The successful bidder may take possession of a property after making a payment in full and after the Tax Deed to Purchaser has been recorded.

Information on the current availability of properties going to auction can be obtained by accessing [www.sdtreastax.com](http://www.sdtreastax.com).
