CANNABIS CROP FAILURE RELIEF REQUEST

If an operator is unable to pay any tax requirement imposed due to a disaster impacting the cannabis business, the operator may notify TTC of its inability to comply and request relief from the tax requirement for a specified date range. Notification of Crop Failure Form and video evidence must be submitted to the Treasurer-Tax Collector no longer than five (5) days from when the crop failure occurred. The person shall provide any information required by the Tax Administrator including without limitation, why relief is requested. The Tax Administrator, in his/her sole discretion, may provide relief from the cannabis business tax requirement not exceeding twenty-five thousand (\$25,000) dollars.
