

DAN McALLISTER
TREASURER-TAX COLLECTOR
SAN DIEGO COUNTY

NOTICE OF IMPENDING POWER TO SELL TAX-DEFAULTED PROPERTY

Made pursuant to Section (3361-3364, 3381), Revenue and Taxation Code

Pursuant to Revenue and Taxation Codes section 3691 and 3692.4, the following conditions will, by operation of law, make the real property listed herein subject to the tax collector's power to sell.

- 1) All property for which property taxes and assessments have been in default for five (5) or more years.

NOTE: The power to sell schedule for nonresidential commercial property is three (3) or more years tax-default status, unless the county adopts, by ordinance or resolution, the five (5) year tax-default schedule. San Diego County has adopted the five (5) year tax-default schedule.

- 2) All property that has a nuisance abatement lien recorded against it and for which property taxes and assessments have been in default for three (3) or more years.
- 3) Any property that has been identified and requested for purchase by a city, county, city and county, or nonprofit organization to serve the public benefit by providing housing or services that are directly related to low-income persons and for which property taxes and assessments have been in default for three (3) or more years.

The parcels listed herein meet one or more of the criteria listed above and, will, by operation of law, become subject to the tax collector's power to sell on July 1, 2015, at 12:01 a.m. (Pacific Time). The tax collector's power to sell will arise on July 1, 2015 unless the property taxes are redeemed (paid in full) or, if eligible, an Installment Plan of Redemption is made prior to the close of business on June 30, 2015. The right to an installment plan terminates at the close of business on June 30, 2015, and after that date the entire balance due must be paid in full to prevent additional penalties, interest and fees being added, and the property being scheduled for sale by public auction.

To prevent the power to sell status from impacting a parcel one of the following actions must occur by close of business June 30, 2015:

- 1) **REDEEM the Parcel:** All unpaid amounts, together with penalties and fees as prescribed by law, must be redeemed (paid in full) by close of business on June 30, 2015.
- 2) **FIVE YEAR PAYMENT PLAN set up, if eligible:** An installment plan of redemption for the parcel must be initiated on or before the close of business on June 30, 2015. The terms of the payment plan for parcels appearing herein must be maintained until all taxes are fully redeemed to prevent the power to sell status arising.

The right of redemption survives the property becoming subject to the power to sell, but it terminates at 5 p.m. on the last business day before the actual date of sale of the property by the tax collector.

DAN McALLISTER, San Diego County Treasurer-Tax Collector makes all information concerning redemption or the initiation of an installment plan of redemption available online at www.sdtrestax.com, or the information will be furnished, upon request, by calling or visiting one of the OFFICE LOCATIONS.

Cash payments are accepted ONLY at the Downtown San Diego office; all other branch office locations accept only check payments. All office locations are open Monday through Friday from 8:00 a.m. to 5:00 p.m., except holidays.

PARCEL NUMBERING SYSTEM EXPLANATION

The Assessor's Parcel Number (APN), when used to describe property in this list, refers to the assessor's map book, the map page, the block on the map, if applicable, and the individual parcel on the map page or in the block. The assessor's maps and further explanation of the parcel numbering system are available in the assessor's office.

The abbreviation FKA refers to Formerly Known As to indicate there has been a parcel number change.
