(A separate application will be required for multiple assessor parcel numbers or fiscal tax years)

Under the provisions of Section 2821 of the Revenue and Taxation Code, the undersigned hereby makes application for the segregation of the following property for the current tax. To avoid penalties, this application, the required processing fee, and the required statements and/or certifications must be received by this office prior to December 10th (April 10th for 2nd installment).

The tax segregation process will segregate the annual tax bill for the assessor parcel number and fiscal tax year, as listed above. If the 1st installment is paid before the Auditor segregates the annual tax bill, only the 2nd installment on the newly segregated properties will be due. If the 1st and 2nd installments are paid prior to the Auditor segregating the annual tax bill, the segregation process will be stopped and the tax bill will remain paid as originally billed.
